

OFFICE OF
COUNCILMAN ANTHONY YOUNG
**CHAIRMAN, COMMITTEE ON PUBLIC SAFETY &
NEIGHBORHOOD SERVICES**
DISTRICT FOUR

NOVEMBER 13, 2008 WEEKLY UPDATE

*Councilman Tony Young meeting at Malcolm X Library
discussing Mayor Sanders' mid year budget cuts.*

COUNCIL ACTIONS:

On Monday, November 10, 2008, I hosted a meeting of over one hundred district stakeholders at Malcolm X Library to discuss Mayor Sanders' mid year budget cuts which included recommendations to close park and recreation centers and libraries. The City faces a \$43 million budget deficit and unfortunately there are several City employees and departments slated for elimination. As a result, we can expect citywide reductions in critical services. At the meeting I passed information detailing the Mayor's recommended cuts and provided attendees with first hand knowledge of potential 4th District impacts. I heard several comments and suggestions about how the City should prioritize reductions and/or save money and not cut departments and services. At the Wednesday, November 12, 2008 meeting of the San Diego City Council, I shared those suggestions with my colleagues during Council discussions as well as several recommendations I made to generate revenues and/or save money without having to close our libraries or park and recreation centers. I want to thank those who attended the meeting and gave input. **The City Council will be discussing the proposed recommendations on Wednesday, November 19, 2008 at 2:00 p.m.** During this process, I pledge to continue to work hard to maintain the highest level of city services to minimize negative impacts for our district. To review the Mayor's recommendations please go to www.sandiego.gov. Also, if you want to share your comments or recommendations, please contact my office at 619-236-6644.

On Saturday, November 8, 2008, I Love a Clean San Diego volunteers came to our district to clean up debris in open space areas. As part of ILACSD's Clean Canyons for a Clean Coast program, volunteers came to correct the negative impact created by litter and illegal dumping. The group's starting point was just east of the Malcolm X library. There, they loaded up with gloves, snacks and water for the upcoming task. With trash bags and arm pickers in hand, about thirty people stretched out over the 5100 block of Market Street sacking debris that could eventually wind up in the ocean due to run off into the creek bed. Another group of volunteers drove to a clean up spot near Radio Drive in Encanto . All together we had 88 volunteers that collected over 2700 pounds of debris and nearly 600 pounds of recycled material. I want to thank Natalie Roberts from ILACSD and City staff for their efforts in making the event a success. If you want to volunteer at I Love a Clean San Diego you can log onto their website at www.wastefreesd.org.
